Registering your Laptop on the Fuqua Network

1) Click on your wireless icon in the bottom right of your taskbar, select Fuqua, check Connect Automatically, and click Connect.

**For mobile devices, go into your wireless settings and connect to the Fuqua network.**

2) Once connected to Fuqua, open a web browser. You should be redirected to a Network Registration page. If not, go to http://dukereg.duke.edu.
3) Scroll to the bottom of the Network Registration page and click I Accept.

4) Log in with your NetID and password.

5) On the Device Registration page, click Detect to autofill your MAC address. Type in a description for your device and select your operating system from the drop down list. Click Register when complete.
6) You should now see “successfully registered MAC Address” under the Register button.

7) Restart your computer and you are now fully registered on the Fuqua network.
